

Dear StationKeeper Host,

On behalf of the entire team at **MotionInfo**, we are honored to officially recognize your organization as a valued participant in the **StationKeeper Initiative**.

By hosting an active StationKeeper site, you are playing a vital role in the protection of **marine wildlife, coastal habitats, and vessel safety**. Your location is now part of a growing network of real-time AIS broadcast stations that proactively alert vessels as they approach sensitive areas—an effort that saves lives, prevents accidents, and sets a powerful example of technology-driven conservation.

We know that your site is more than just a physical location—it is a **symbol of stewardship and community commitment**. Your willingness to share space, support outreach, and serve as a voice for the ocean is what makes StationKeeper possible. We are deeply grateful for your contribution.

Thank you for standing with us as a StationKeeper. Together, we are charting a safer, more respectful future for our oceans.

Sincerely,

MotionInfo Team
